REMARKS

00-04 Moored port side to Yokosuka's Drydock Four,
We've doubled the lines of the standard moor.
And from each quarter and starboard bow,
Spring lines are laid with the boatswain's know-how.
And should the wind ~~blow~~ give the lines a test,
There's also laid out a doubled port breast.
All ship's services come from the pier;
"We're on cold iron" says the Engineer.
Material condition Yoke is set,
We're at Readiness V, no need to fret.
SOPA's C.O. of the Oklahoma City.
In Yokosuka Harbor riding pretty
~~And~~^{ARE} various units of the Seventh Fleet
Harbor and yard craft make the list complete.
In Sixty-Five, whatever courses you steer,
Joe Strauss wishes^{you} a Happy New Year!
